

YATESON

SPECIALISTS  
IN THE DESIGN AND  
MANUFACTURE OF  
HIGH QUALITY  
VALVES, FITTINGS  
AND PIPELINE  
COMPONENTS

# YATESON IS ONE OF THE UK'S LARGEST MANUFACTURERS AND DISTRIBUTORS OF HIGH QUALITY VALVES, FITTINGS AND PIPELINE COMPONENTS.

We fabricate and supply bespoke and standard fittings for a host of industry sectors, including the oil, gas, water, petro-chemical and engineering industries. With over fifty years' experience and using a wealth of expertise, we have forged strong relationships with many of the UK's leading OEMs and end users. We are committed to delivering high performance products backed by a value-added service.

Yateson is an approved distributor of Modentic valves. Using decades of experience and expertise, Modentic manufactures market-leading industrial and aseptic valves. We work closely with Modentic's fabrication facility to ensure we leverage best value solutions and deliver fully approved components for global applications.

## ENGINEERING EXCELLENCE

*We specialise in the design and manufacture of bespoke components that meet the most demanding quality standards.*

**WE CONTINUALLY STRIVE TO EXCEED OUR CUSTOMERS' EXPECTATIONS REGARDING QUALITY, SERVICE STANDARDS AND PRODUCT PERFORMANCE AND RELIABILITY.**

---

# OUR STRENGTHS

AS A MODENTIC APPROVED DISTRIBUTOR,  
YATESON CAN BE TRUSTED TO CONSISTENTLY DELIVER:

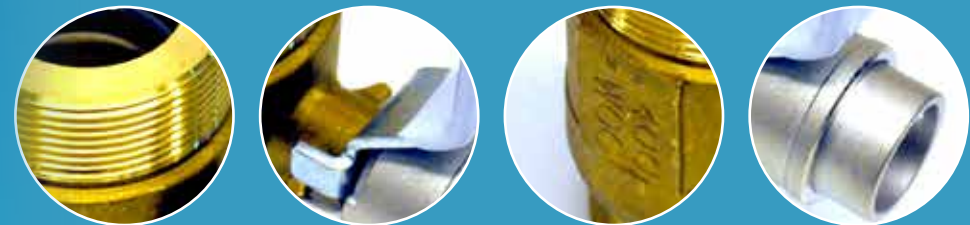

- | A comprehensive range of valves, fittings, and pipeline components
- | A highly responsive and flexible service
- | Fully customised solutions
- | Compliant valve and component fabrication services

## BESPOKE FABRICATION

Yateson specialises in the design and manufacture of bespoke valves, fittings and pipeline components. Using a wealth of technical expertise and decades of experience, we can manage the entire development of technically advanced components used in specific applications by process, production and maintenance engineers throughout the world.

## ENGINEERING EXCELLENCE

*We specialise in the design and manufacture of bespoke components that meet the most demanding quality standards.*

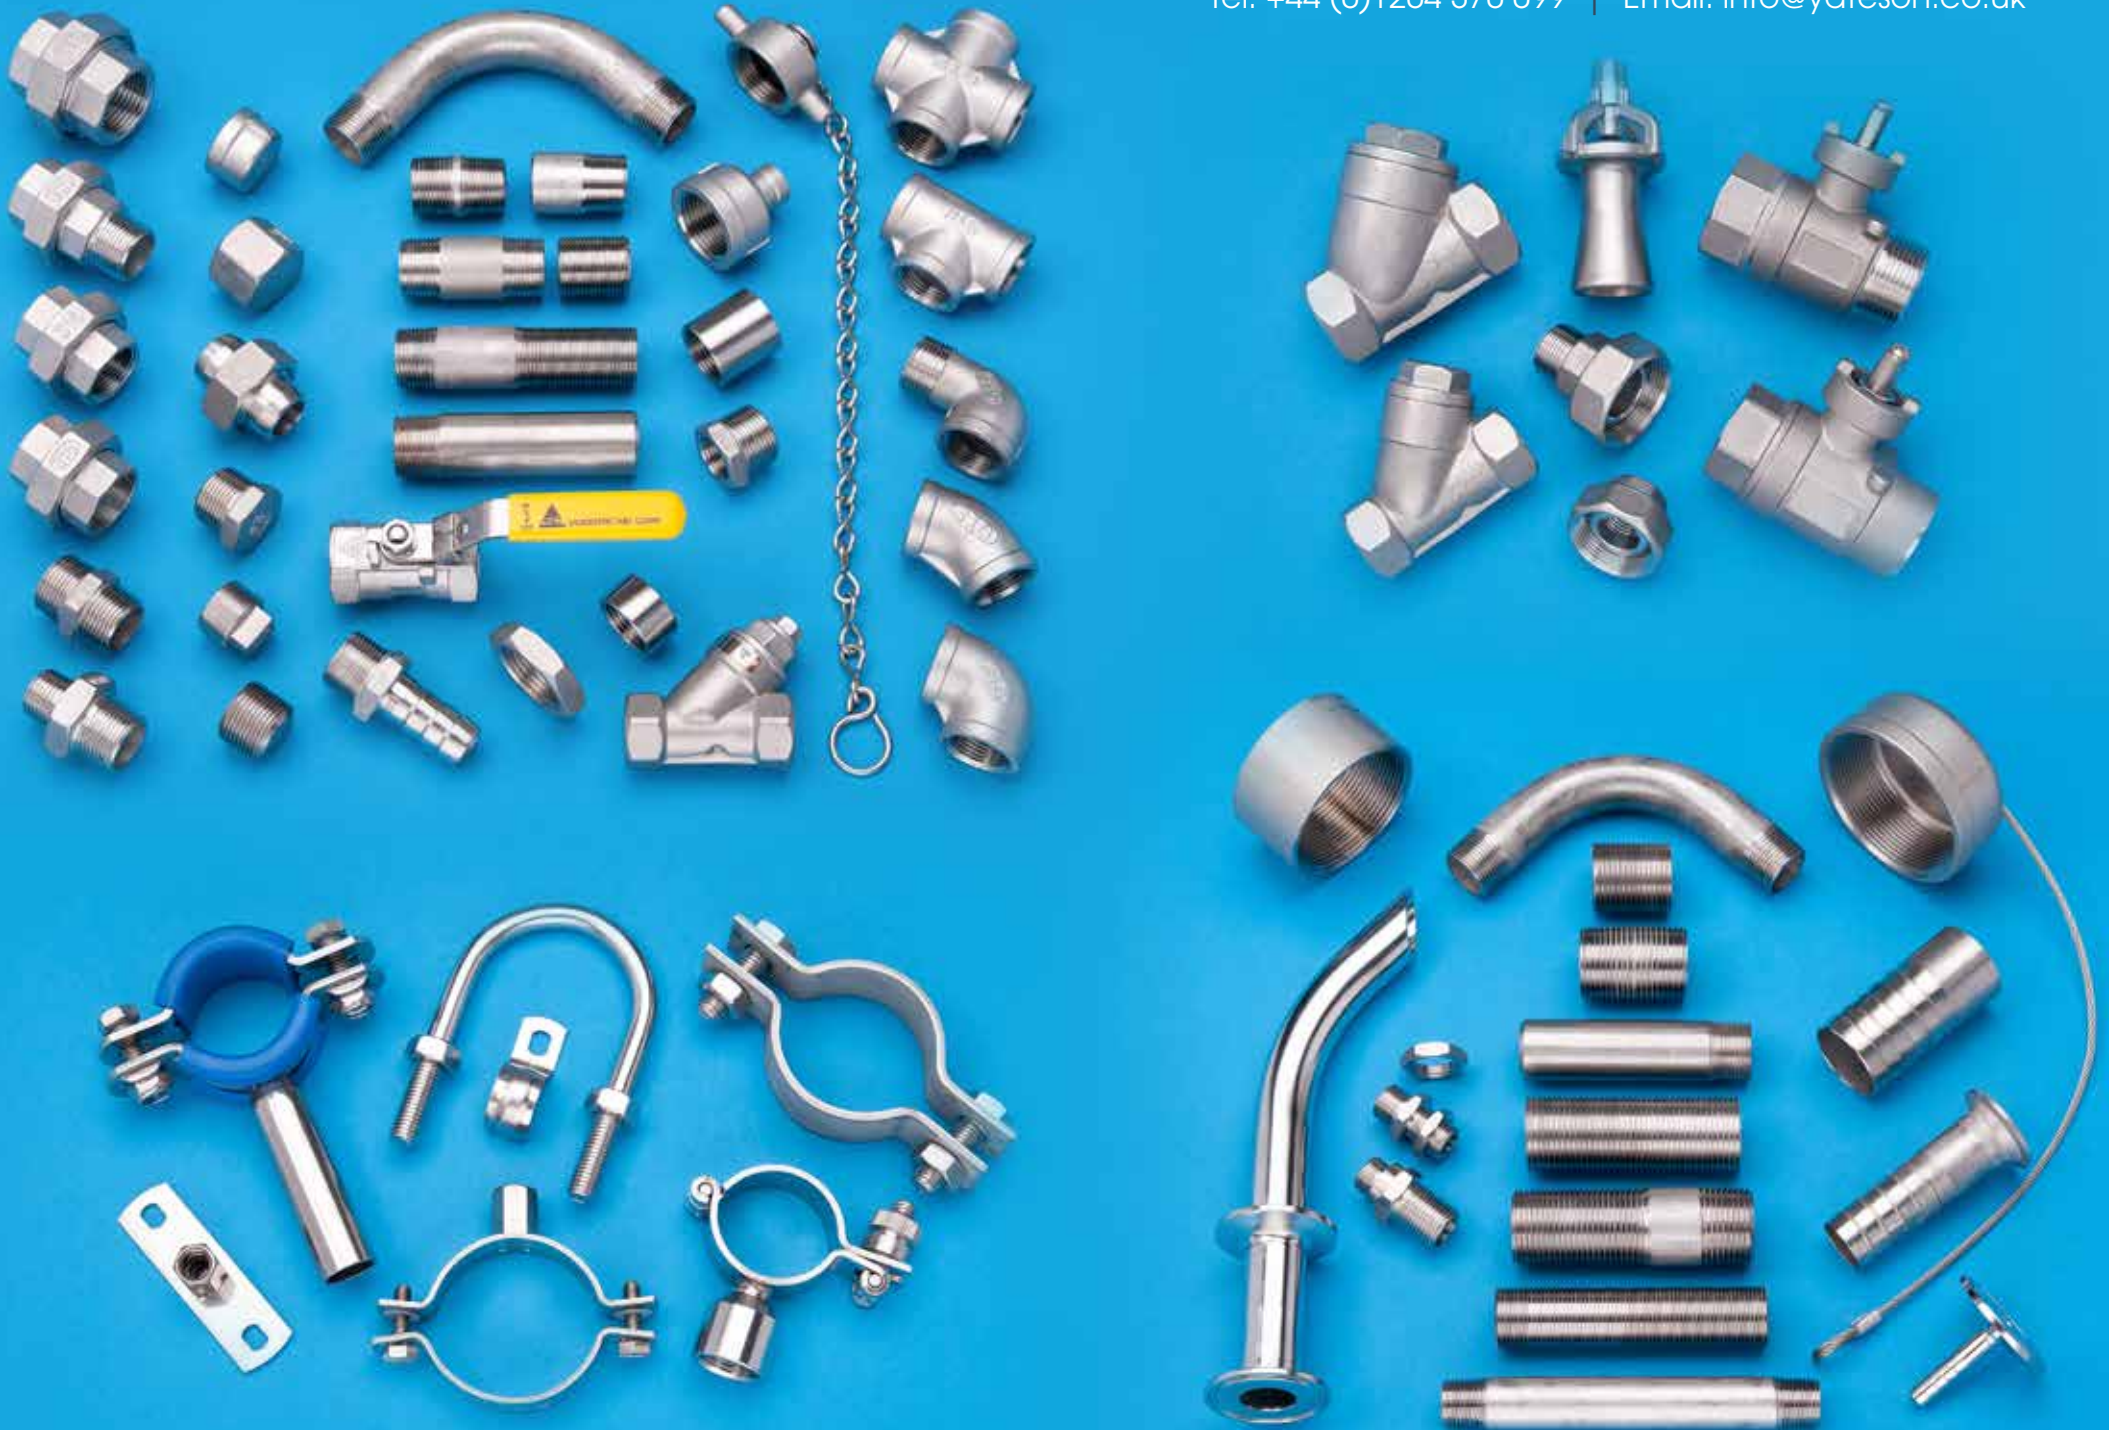

- Full project management support
- Extensive knowledge of global regulations
- Manufactured to the highest standards

# EXTENSIVE PRODUCT RANGE

- | Ball valves
- | Butterfly valves
- | Gate valves
- | Globe valves
- | Check valves
- | Strainers
- | Manifolds
- | BSP Nipples
- | NPT Nipples
- | Longscrews
- | Hygienic adaptors
- | Sockets
- | Couplings
- | Plugs
- | Socket weld
- | Bevelling
- | Weld preparation
- | Nippling
- | Hosetails and adaptors

## EXTENSIVE STOCK

*We are a highly responsive and reliable stockist of Modentic valves, fittings, pipeline, tubes and fasteners.*

# SECTORS SERVED

- | Oil
- | Gas
- | Water
- | Petro-chemical
- | Pharmaceutical
- | Agriculture
- | Engineering
- | Manufacturing
- | Textile
- | Paper
- | Food

## RAPID DELIVERY

*We are committed to fulfilling orders as efficiently as possible, and many of our stock items are available for next day UK delivery.*

# QUALITY

Tel: +44 (0)1204 370 099 | Email: info@yateson.co.uk

As a leading supplier of industrial valves and components to the global market, we are committed to engineering excellence.

## ISO 9001:2008

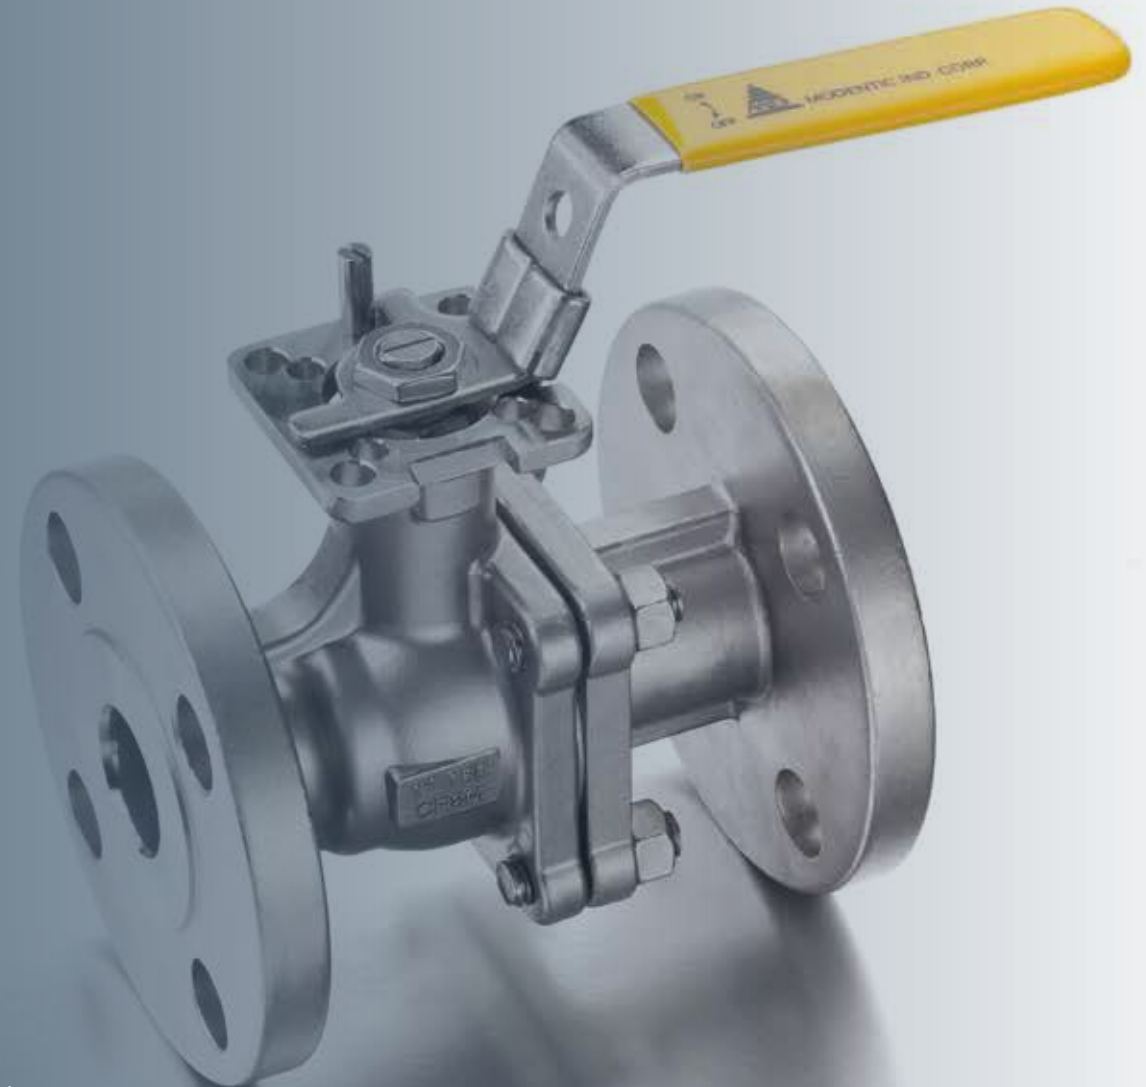

We operate in accordance with the renowned ISO 9001:2008 quality standard and continually monitor our performance to ensure we deliver the best possible solutions at all times.

## GLOBAL REGULATIONS

All products can be custom-manufactured to comply with relevant geographical regulations, including the ANSI, ASTM, DIN & JIS standards.

## HEALTH & SAFETY

We maintain an effective Health & Safety management strategy and endeavour to maintain a safe working environment for all employees and company visitors.
